his due, for Germany has need of all the over, to think clearly is a debt we owe to own mental integrity. Germany has give -but a statement. The fact that it was me under duress does not change its nature

recognizes a defensively armed merchan the phrase is used in Germany's note, pre vided Germany made it clear in what sen she was using it, and she did make it clear. The time to object to her use of it was 'pledge" in a different sense we do not hi rmany; we only befuddle curselves.
This remark applies also to President Wi

the note-i. e., that the United States cap this rejection secures a modified and acceptable pledge. This was not the case. The rejection of a part merely leaves it in the sir The say-so of the acceptor cannot bind the pledger. Germany alone can bind Ger President Wilson can say what Wilson o; he cannot say what Von Jagow will prom

Administration should clarify their mind in this matter. Any volitional stupidity on se part will not embarrass Germany. We she secure for international law such victories Sir: In a recent issue of The Tribune ap- mind can attain, but by the hocus-porus

cople throws itself in the breach, and h

justice and exclaim: "Does law then depend the the strongest things that most individuals have to struggle with, let us advocate this propaganda.

But, of all things, let us curb a misguided woman, and may all with any sense of public propagand which may all with any sense of public propagand, and may all with any sense of public propagand.

But, of all things, let us curb a misguided way any supposed right of neutrals to the statement that if elected President he would statement that if elected President he would enforce American rights abroad, which was a large endowment in the form of legacies to establish and maintain the work."

The second paragraph which Mr. Weeks way any supposed right of neutrals to train the statement that if elected President he would enforce American rights abroad, which was a large endowment in the form of legacies to establish and maintain the work."

from our mind, and in place of it rememb

Congress Not a Free Agent Sir: In your editorial "Tangled Up" this

morning you say: "If the Adamses means anything, it means that Congress has declared its power and intention to regulate railroad traffic, not on the rate side only, but on the side of wages as well." And most of the other newspapers prefer to theorise in this manner rather than face the unpleasant facts. If Congress had passed the Adamset law without compulsion the implications es-I very much fear that we Americans do not pressed in your editorial might hold. But

> that Congress, in September last, was ter-rorized by the brotherhoods' threats into power nor intention of any kind street enough to enable it to resist. Argument based on any other theory is fallacious. C. M. MEERMIN
